# Coolidge

Serving This Area Over 50 Years GARDENS

## WHOLESALE LIST SEASON 1954-1955

### MEMORANDUM

It is hardly necessary to mention the word **Quality** in connection with Coolidge stock, as our many good friends who place their orders with us year after year are our best testimony in this respect. You may therefore feel assured that any plants you purchase from us will be up to your full expectations.

Where prices are marked with an asterisk (\*) the plants will be ready for **early Fall** delivery. The others are ready **now**.

TERMS:—60 days.

2% for Cash on delivery.

Please do not order less than 20 of any one variety in lining out sizes, not less than 10 in one gallon cans, and not less than 5 in five gallon cans. Also note that it is not profitable for us to ship by Freight or Express any orders totaling less than \$20.00.

**Non-Warranty**—We give no warranty, express or implied, as to the productivity or variety of the plants we sell and we will not in any way be responsible for the crop, or for any delay or any failure in delivery through any and all causes beyond our control. Our liability in all instances is limited to the purchase price of the plants. Orders accepted only on these conditions.

This list cancels all previous issues. Prices subject to change without notice.

Packing at actual cost to us.

# AZALEAS

READY FOR EARLY FALL DELIVERY

An extensive selection of the best varieties of

## INDICAS, KURUMES & MACRANTHAS

Attractive, well-grown plants. In addition to the usual heavy sales during the blooming season, there is a steady demand for them for general gardening and best landscape effects during all months of the year.
